The sleek design of the Augusta Collection pairs clean lines with modern convenience to create a style that will be the perfect palette for your design aspirations. The collection's nightstands flank the queen low-profile panel bed, creating a wall-paralleling seamless transition between the pieces. Visually tying the collection together are the painted metal finish banding of the headboard's sides, as well as the footboard and area-piece's base rails, and along with the metal bar hardware of the nightstands, culminates in an accentuating contrast to the gray faux wood finish of the melamine veneer. 7 PC Includes 1 PC Bed, 2 nightstands & 2 wall panels.
