

VENICE 3 PC QUEEN BED WITH LED LIGHTS

SKU: 308371

Using the latest technology and production methods for excellent quality and value, the sleek European Style Venice collection is defined by the combination of Floating effect recessed toe-kicks, clean lines, Gun Metal Gray accents contrasting the Walnut Woodgrain finished panels and a LED lighted headboard. This Floating effect maintains an immaculate soft European contemporary styled appearance while being a full function bedroom. The LED lighting in the headboard of the bed can work as a night light or mood lighting.
