$2,398.00

The casual contemporary Artisan sectional will provide ample seating for the whole family! The channeled design on the arms wraps all the way around the back, making this a true showpiece and a great option for floating in an open concept room. A pop-up sleeper in the armless loveseat is perfect for overnight guests or movie night and the chaise lifts to reveal hidden storage for pillows and blankets. The sectional also includes accent pillows for a stylish final touch.
