Elara Grey 3 PC Queen LED Bed

Short Description:

SKU: 311280

\$398.00

Upgrade your bedroom with the sophisticated allure of this contemporary bed, which seamlessly blends functionality with high-end design. The solid grey frame features a striking two-tone high-gloss marble and lacquer finish on the headboard, illuminated by ambient LED lighting to create a focal point that exudes modern elegance. The bed sits on sleek metal-finished legs, adding a touch of refinement to its overall aesthetic. To ensure full support and durability for your mattress, a low-profile box spring is required, complementing the bed's sleek shape while providing necessary stability. This bed not only enhances the aesthetics of your space but also promises comfort and quality, making it a standout addition to any contemporary bedroom. 3 PC Bed Includes headboard, footboard and rails. Durable Frame with Elegant Headboard: The high-quality grey frame paired with a luxurious two-tone high-gloss marble and lacquer headboard enhances bedroom aesthetics. Integrated LED Lighting: The headboard's built-in LED lighting offers a soft, ambient glow, ideal for creating a relaxing atmosphere. Metal-Finished Legs: The sleek metal legs provide a modern touch, ensuring stability and an elegant finish. Required Box Spring: A low-profile box spring is necessary for optimal mattress support and longevity. Contemporary Design: With its clean lines, neutral color palette, and premium finishes, this bed fits effortlessly into various decor styles, elevating the overall look of any bedroom.
