

Korestone End Table

Short Description:

SKU: 311369

\$158.00

This end table exemplifies casual contemporary design with an urban vibe. Its rich brown finish is warm and inviting, and decor looks that much sleeker when displayed on the thick tabletop. A trend-right reeded base subtly nods to mid-century modern design. What a stunning reflection of your simple-meets-elegant sensibility. Made with hardwood solids, mango wood veneer and MDF substrates. Warm brown finish. Reeded base design. Assembly required.
