Houston 3 PC King Bed

Short Description:

SKU: 311698

\$398.00

Elevate your bedroom with the striking two-tone sophistication of the Bed. A deep black frame surrounds sculpted walnut-tone panels arranged in a bold geometric relief. The low footboard keeps the profile modern and sleek, allowing bedding and pillows to take center stage. Built for both durability and visual appeal, the bed's platform provides a solid, architectural foundation. Two-tone design: warm walnut panels framed in deep black for bold contrast. 3 PC Includes: Headboard, footboard and rails. • Geometric relief detailing adds depth and dimension to your bedroom décor • Platform base provides a sturdy, architectural stance • Clean, panel design with no storage maintains a modern silhouette • Crafted for durability and easy assembly • Requires a box spring/foundation (not included)
