"Floral Tiger" is a captivating piece of contemporary wall art crafted on tempered glass, blending the fierce beauty of a tiger with delicate floral elements. The artwork is printed and hand-embel lished beneath durable tempered glass, creating a sleek, dimensional finish that adds depth and shine to any space. Ready to hang with angled sawtooth hangers, this striking piece offers both saf ety and style, making it a perfect addition to living rooms or offices. With each purchase, a meal is donated to a hungry American child, adding a meaningful social impact to this stunning art.
