Looking to make a subtly striking statement in your bedroom? We've got you covered. This dresser's sophisticated two-tone treatment marries a warm brown finish over replicated walnut grain with a matte white finish. Rounded corners and a thick top radiate an air of modern panache, while sleek handles in a champagne finish add a sparkling touch to the spacious drawers. It's a master class in contemporary yet comfortable character. Made with engineered wood (MDF/particleboard/plywood) and decorative laminate for the right balance of affordability and durability. Two-tone finish (dark brown finish over replicated walnut grain; matte white finish). Decorative laminate replicates natural or man-made material surfaces with consistent color, pattern and texture. Handles with champagne finish. Smooth-gliding drawers. Drawer interiors are lined with a faux linen laminate for a clean, finished look. Safety is a top priority; clothing storage units are designed to meet the most current standard for stability, ASTM F 2057 (ASTM International). Drawers extend out to accommodate maximum access to drawer interior while maintaining safety. Mirror attaches to back of dresser; can also be mounted on wall horizontally or vertically. Minor assembly required.
