Benji 5 PC Dining Room

Short Description:

SKU: 311934

\$398.00

Bring warmth and casual sophistication to your dining space with the Benji Dining Collection. Designed for today's homes, this charming five-piece set features a beautiful gray finish, a clean pedestal-style base, and soft light gray upholstered chairs that create an inviting place to gather. The 42-inch round table is perfectly sized for breakfast nooks, apartments, condos, and smaller dining rooms, making every meal feel comfortable and connected. Crafted with durable materials and timeless styling, the Benji collection delivers everyday functionality with a timeless contemporary appeal. 5 PC Dining Room Includes Table & 4 Side Chairs. Contemporary Casual Design - A versatile gray finish and clean lines complement farmhouse, transitional, and modern interiors. 42-inch Round Table - Ideal for seating four comfortably while maximizing smaller dining spaces. Pedestal Base Design - Offers excellent stability while providing more legroom and easier seating around the table. Comfortable Upholstered Chairs - Thick foam cushions upholstered in soft light gray fabric provide lasting comfort for family meals and entertaining. Durable Melamine Tabletop - MDF construction with a melamine surface delivers the look of wood with enhanced resistance to scratches, stains, and everyday wear. Solid Rubberwood Chair Frames - Strong rubberwood construction ensures long-lasting durability and dependable support. Space-Saving Solution - Perfect for kitchens, breakfast nooks, apartments, and condominiums where maximizing space matters. Quality Craftsmanship - Expertly manufactured in Vietnam using quality materials for years of dependable performance.
