The Tosh dining room by Global Furniture creates a blend of natural charm and refined sophistication, making it a perfect choice for any home bar, dining nook, or stylish kitchen space.The Tosh Dining Table features a clean, square silhouette that feels both modern and timeless. Its warm, natural wood tones are perfectly paired with a luxurious grey and white faux marble surface, offering a visual contrast that feels effortlessly high-end.Completing the look, the Tosh Counter Stool is as inviting as it is refined. A warm wood finish frames its plush, neutral beige upholstery, while a channel-tufted backrest lends tailored elegance. Overstuffed cushioning ensures exceptional comfort, making it just as perfect for a lingering breakfast as it is for evening cocktails with friends. Whether positioned alongside the matching table or tucked against a kitchen island, the stool's graceful design and durable build promise lasting appeal.Together, this duo transforms everyday moments into occasions—ideal for casual meals, lively get-togethers, or simply adding a touch of sophistication to smaller spaces.
