

Fulton Gray/White 5 PC Counter Height Dining Room

Short Description:

SKU: 446547

$598.00

Transform your dining area with this elegant counter height dining set, designed to bring a touch of modern farmhouse charm to your home. The centerpiece table features a stunning dark wood top with built-in turntable that contrasts beautifully with the distressed white base, creating a striking visual appeal. Accompanied by four plushly upholstered chairs, all in a soft gray fabric, this set ensures comfort and style for every meal. The high-quality construction guarantees durability, while the classic design elements blend seamlessly with contemporary or traditional décor. Perfect for both intimate family dinners and larger gatherings, this set promises to enhance your dining experience with its inviting ambiance and exceptional functionality.
