SKU: 446558

## $498.00

The Amherst Counter 5PC Dining Set will look fantastic in your home! This set includes a table and four side chairs. This set is ideal for small space living allowing you to easily move around the round ta ble top. The table also comes with a shelf in the base, while the kicked-out legs instantly add extra flair to this already stylish set. The chair backs and seats are upholstered in a gray fabric, that pairs beautif ully with the bisque finish. Another cool design feature, the chairs have a link design in the back taking this set to the next level. Add this dining set to your home today for a look youll enjoy day after day!
