The Eleanor 6 PC Dining Set in White is the perfect addition to freshen up any dining room. This set includes a rectangular table, four armless chairs, and a bench, providing ample seating for family and guests. The straight legs on the table and bench and appearance of small wing sides on each chair give this set a classic yet modern look. The beautiful upholstered seats and backs with foam cushion ensure comfort during meals or gatherings. Constructed of MDF with paper veneer, this dining set is both sturdy and stylish. The bench will offer a space-saving solution for smaller dining areas, making it easy to transform your dining room with the Eleanor dining collection.
