Oregon Glass Top Dining Table

Short Description:

SKU: 312313

\$499.95

Bring a light, open feel and high-end contemporary art to your dining room. This striking standard-height table pairs a sleek, transparent top with a dramatic, sculptural wood base to create a bold focal point that anchors your space with refined, modern style. Crafted with premium solid wood framing and finished in a high-quality oak veneer, this table offers exceptional structural integrity and durability. Its versatile neutral tones allow it to blend seamlessly with your current dining chairs, while the reflective clear glass tabletop optimizes light filtration to make any dining area feel instantly larger and more inviting. **Key Features:** **Airy Aesthetic:** The clear glass tabletop creates a bright, spacious, and open feel in your dining room. **Sculptural Base:** Designed with an artistic, geometric wood base that adds bold architectural flair. **Premium Oak Veneer:** Solid wood framing finished with high-quality oak veneer ensures lasting durability. **Effortless Pairing:** Natural, neutral tones make it incredibly easy to coordinate with existing decor and seating styles.
