\$598.00

Bring style, comfort, and functionality together with this pull out sofa bed. Upholstered in a rich navy fabric, this sofa bed instantly elevates any living space with its clean lines and sophisticated look. Two included patterned pillows add a designer touch while enhancing comfort. This innovative piece features a smooth pull-out mechanism that offers a full recline and lay-flat function, transforming the sofa into a cozy sleeping space in seconds. The wooden bookcase arms provide both style and practicality, complete with integrated LED acrylic shelves that softly illuminate the space, perfect for setting a relaxing mood. Built-in speakers add a modern, entertainment-ready touch, making this sofa bed as versatile as it is luxurious. Whether for lounging, hosting guests, or creating a multi-functional living area, offers an upscale solution that delivers comfort, convenience, and contemporary design.
