Orson Two-Tone 7 PC Dining Room

Short Description:

SKU: 446608

\$798.00

Gather, dine, and make memories around the timeless style of the Orson Dining Collection. Designed with clean lines and a striking two-tone finish, this contemporary set blends a rich black frame with a warm oak veneer tabletop and soft light gray upholstered seating. The round table encourages conversation from every seat, while the gently curved chair backs and cushioned fabric seats provide lasting comfort for everything from weeknight dinners to holiday celebrations. Built with durable rubberwood construction and quality craftsmanship, the Orson collection offers the perfect balance of style, function, and everyday durability. 7 PC Includes Table & 6 Chairs Contemporary Two-Tone Design - Black finished base paired with a beautiful oak veneer tabletop creates a modern look that complements today's interiors. 54 Inch Round Table - Spacious enough to comfortably seat four while promoting conversation and connection. Considerable Upholstered Seating - Plush foam cushions wrapped in soft light gray fabric provide exceptional comfort for extended meals. Solid Rubberwood Construction - Built with durable rubberwood frames for lasting strength and stability. Oak Veneer Tabletop - MDF core with oak veneer offers the beauty of natural wood while helping resist warping. Supportive Curved Chair Backs - Ergonomically designed for everyday comfort and proper support. Space-Saving Design - The round table fits beautifully in kitchens, breakfast rooms, apartments, and dining spaces without overcrowding the room. Quality Craftsmanship - Expertly manufactured in Vietnam using quality materials for years of dependable use.
